Faculty Coordinators: Mr. Deepanshu Gupta(CTLD)	Event Timings: 10:00 AM onwards
Number of Participants: 40	Venue: PHD Chamber of Commerce & industry, New Delhi

Expected Outcome

- To equip participants with knowledge about the latest advancements and technology in the field of cold chain management.
- Promoting the growth and development of the cold chain sector in India and ensuring that it remains a key player in the global market.

Purpose of the event:-

- To bring together industry experts and professionals from the cold chain sector in India.
- Insights into the current trends and challenges facing the cold chain sector in India.

Detailed Report:-

Money lovers (Finance Club) of Lloyd Business School organized Session-1 of the event “**A Preliminary Guide to Personal Financial Management & “Trade-ology”**” on the topic “**Basics of Investing**” by Prof. Sachin Sinha. The response received for the activity was an enriching and inspiring experience with more than 95 students and 5 faculty members. This activity was conducted in the seminar hall under the guidance of Money Lovers Coordinators. He has a vast experience in the field of Finance. During the session, he discussed saving, investment, risk, asset, asset allocation, return, diversification, equity shares, stock market and index funds. He also showed the power of compounding and how SIP can help us to become wealthy in the long run.

Learning Outcomes:-

- Network with industry experts and professionals, creating opportunities for future collaborations and partnerships.
- Participants gained knowledge about the latest advancements and technology in the field of cold chain management.
