Expected Outcome

The main objective of the Fresher's Party at Lloyd Business School is to warmly greet and smoothly integrate new students into the school community.

- **To foster a sense of belonging, encourage social interaction, and create a positive and inclusive atmosphere.**

The event allows new students to engage with fellow students, professors, and older students, which helps them form connections and adapt to the academic environment. Lloyd Business School organizes the Fresher's Party to celebrate the beginning of students' journey. The party includes entertaining and engaging events, creating a positive atmosphere for their upcoming experiences.

Detailed Report

Lloyd organized a sumptuous fresher's welcome party on 30th October 2021 for the newly admitted students. The event motif was a James Bond theme; hence, the décor & the performances were nothing less than drama-packed picturesque. With pulsating ambience, flashing lights, and foot-tapping music, the party began with a blast, and the excitement augmented with a joyful high. Each event was marked by various entertainment programs comprising folk dances, solo dances, fusion dances, fashion shows, and singing. The students worked untiringly to create entertainment programs that enthralled the distinguished audience and drew them irresistibly onto the stage to enjoy the fun. The most interesting part of the event was the selection of Miss Fresher and Mr. Fresher from the respective departments. A jury of student representatives and senior faculty members selected the students for these titles. They judged them based on their talent, wit, intelligent answers in question rounds, and appearance. Dr Vandana Arora, Group Director, Dr Alka Jyoti, Admissions Director, and Dr Ashok Tiwari, Director of LBS, bestowed the final titles. The party ended with a good time span for breaking a leg on the dance floor with some promising lines-"The magic in the air turned into the chords of pulsating rhythmic hearts and bonds for the year that lay ahead."

Learning Outcome

- Enhanced interpersonal skills and built a strong connections network among students within the academic community. Participants enhance their self-confidence in social interactions and learn to traverse diverse circumstances.
- Foster a solid rapport with fellow students and professors. In addition, students deeply comprehend the culture and values promoted by Lloyd Business School, which will contribute to their personal and professional growth over their academic journey.
