- Encouraging open dialogue and the sharing of personal experiences.

### **Detailed Report**

Lloyd Business School always aims to provide students comfortable surroundings and encourage them to excel and prosper. With this theme, the college commemorated the new beginning of first-year students by building a friendly atmosphere and welcoming them for their exciting journey ahead with an evening of exuberance.

Fresher's party is a gracious and cordial welcome to the first-year students by the institute. It is an event where freshers can exhibit their talents, feel comfortable, and adapt to their new surroundings. With this spirit, Meet & Greet 2021 was organized on 27th October 2021 at Crowne Plaza, Greater Noida, to welcome the first-year students of PGDM Batch 2021-23 for the new journey ahead.

The event was graced by Admissions Director Dr. Alka Jyoti and her team. The first-year students put on a series of amazing performances, a fiesta consisting of dance, dramatics, fashion shows, and singing performances, followed by lunch. The evening ended with students grooving & enjoying on the dance floor at Crowne Plaza

The event wouldn't have been a massive success without the valuable efforts of Prof. Ritika Khurana, Faculty Head of The Aakruti Club (Cultural Club), who constantly aided in organizing this grand fiesta. The Director addressed the first year with her esteemed words of wisdom and encouraged them to excel in all spheres of life.

### **Learning Outcome**

- Conversing with diverse individuals enhanced verbal communication skills and the ability to articulate ideas clearly.
- The event strengthened relationships within the institution, fostering a more cohesive and supportive community.
- Interacting with peers, faculty, and professionals-built confidence in social and professional settings.
- Taking on roles in organizing or facilitating the event to develop leadership and organizational skills among students.
