- To use their creativity and knowledge to come up with new ideas.

**Detailed Report:**

Lloyd Group of Institutions, Greater Noida, organized a Diya-making competition. The main purpose of the competition was to help the students learn creative thinking. The competition helped students to know each other and use their creativity to decorate their Diyas.

Students participated with immense enthusiasm and interest. They were free to choose their themes and came up with brilliant displays. Points were allotted based on innovative ideas, materials used, skill presentation and neatness / cleanliness were also given importance. The event was not just a competition but also an opportunity for students to interact and network with each other. The event was successful and the winners were awarded with prize.

**Learning Outcome:**

- The students mingled with one another.
- The event encouraged students to exhibit their best and celebrate grand.

- The students learned about time management as students plan and execute their creativity in a specified period.
