Detailed Report

SUKHIT – “Thankfulness is the quickest path of joy and happiness”. The members of the CSR club volunteered selflessly, and the faculty took part in this by playing Secret Santa for our Supporting Staff. We started our activity by collecting gifts from our faculty members, which they prepared for them, followed by handwritten greeting cards and some sweets. We experienced how happy and excited they were. We should always be grateful and respectful to our Supporting Staff because they are the reason, we move ahead by taking care of small things. Thank you for your support and hard work that you always put in our work single day.

Gifts were given to support staff by Group Director Prof. (Dr.) Vandana Arora Sethi. The activity took place under the guidance of Dr Ruchi Garg, CSR Club Head, and with the active participation of Students.
